IS A PROJECT BY

IMPSSBL

**A WEB3 CREATIVE STUDIO FOUNDED BY AN EX GOOGLE
MAKING THE NEXT GEN OF STORIES AND CHARACTERS
THROUGH ART, AI AND BLOCKCHAIN.**

WE EXPLORE THE
LIMITS OF FICTION
THROUGH NFTS.

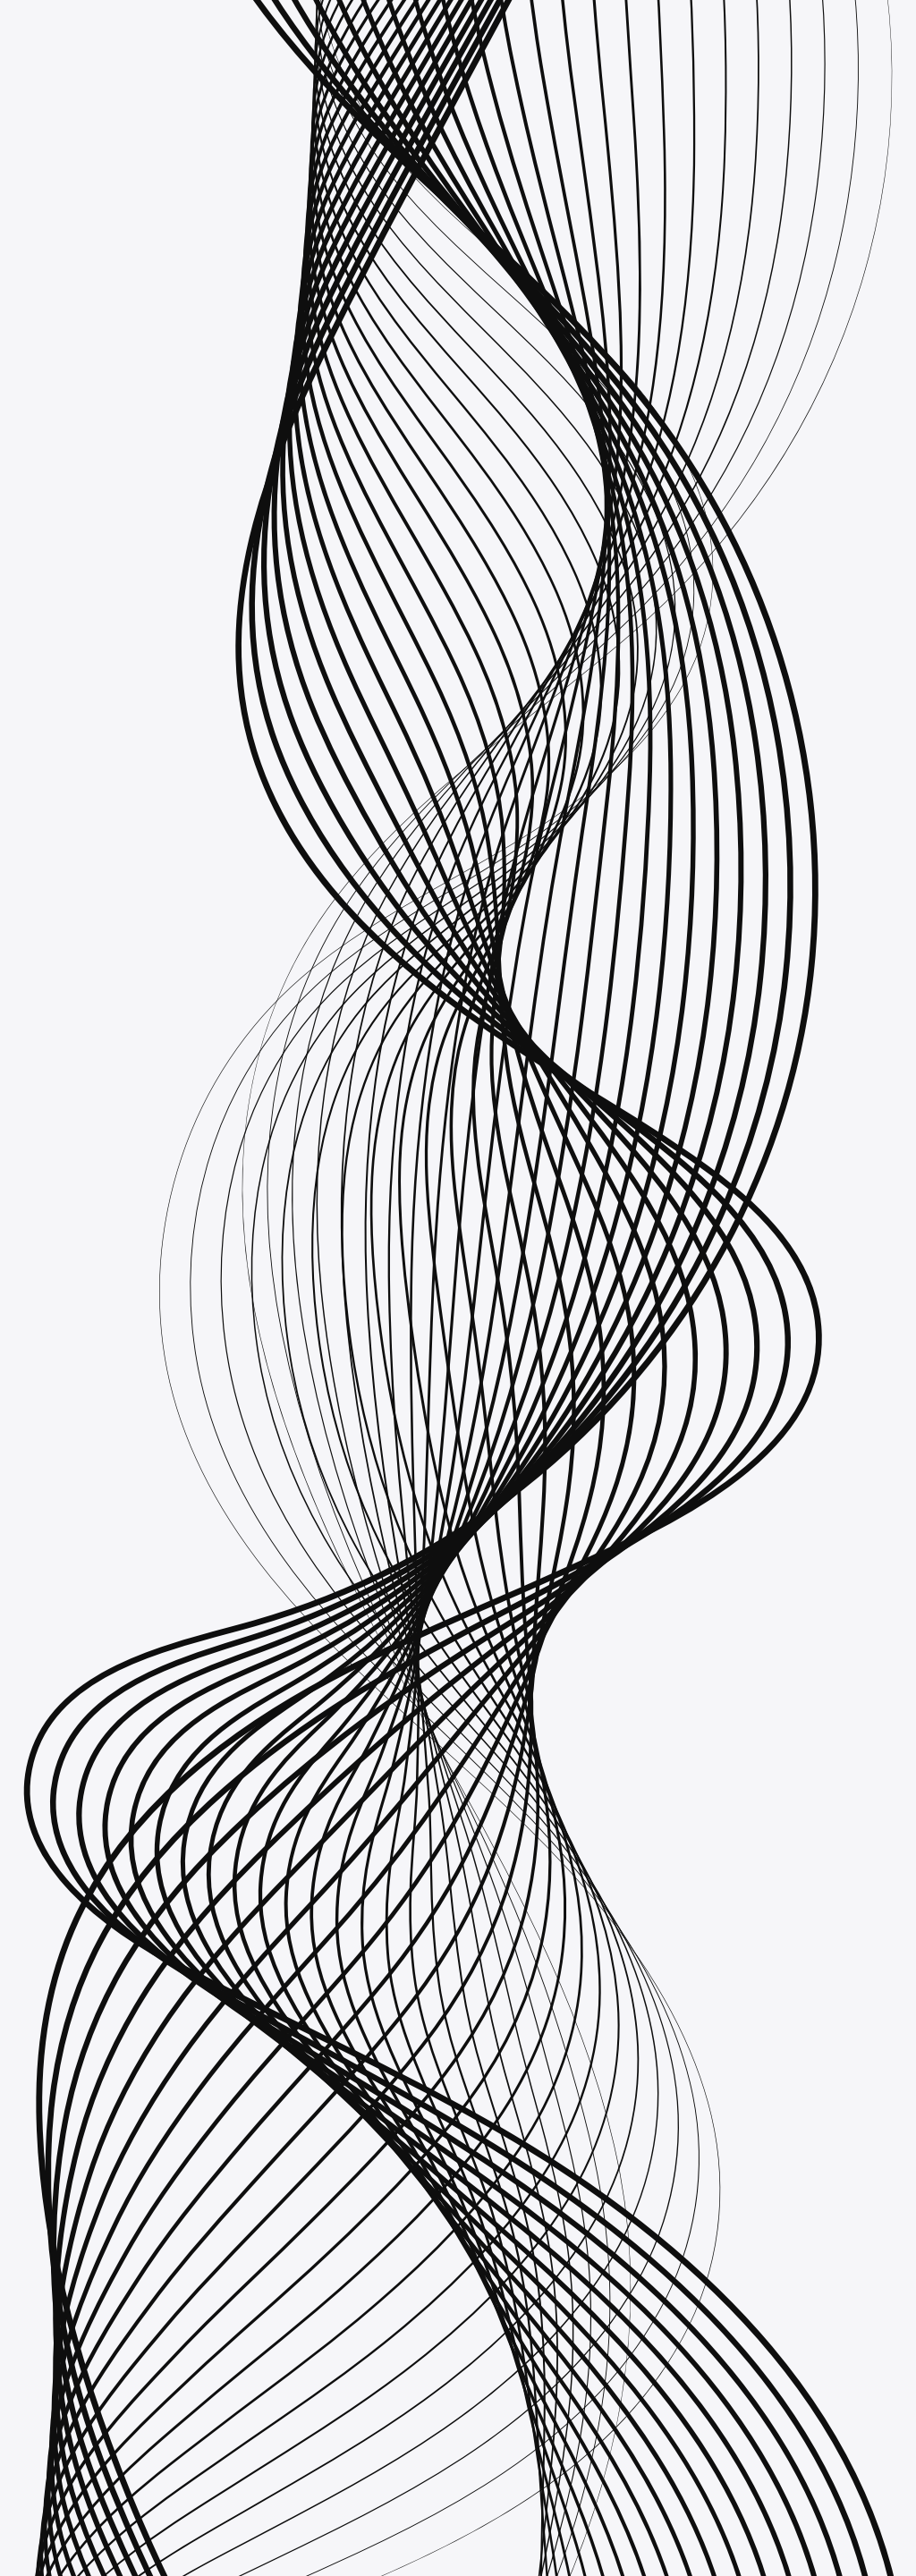

The image features a dark background with two clusters of white, three-dimensional rectangular blocks. The blocks are arranged in a grid-like pattern, with some blocks standing taller than others, creating a sense of depth and perspective. The lighting is soft, casting subtle shadows and highlighting the edges of the blocks. The text is centered in the upper right quadrant, written in a clean, white, sans-serif font.

THIS PROJECT IS
ABOUT STORIES AND

INTELLIGENCE,
UNITED IN A UNIQUE
COLLECTION OF NFTS.

THE STORY

AT THE END OF TIME STANDS A CITADEL.

ITS STREETS HOST ALL THE CHARACTERS OF THE WORLD - ULYSSES, HAMLET - THEY ALL LIVE HERE, IN ALL THEIR VERSIONS. AMONG THEM IS PERCIVAL, THE HERO OF THE HOLY GRAIL, LATER REPLACED BY GALAHAD IN FRENCH LITERATURE.

AFRAID OF BEING FORGOTTEN, IN THE ATTEMPT TO RESTORE HIS ORIGINAL STORY CONTAINED IN THE CITADEL'S VAULT, HE SETS FIRE TO THE CITADEL, BURNING IT TO THE GROUND. EVERY STORY, EVERY CHARACTER, EVERY TALE EVER TOLD WAS GONE.

YET, A FEW MANAGE TO ESCAPE THE FIRE. LED BY THE ONE, A FEW PROTAGONISTS, EXTRAS, SIDE CHARACTERS FROM DISPARATE NARRATIONS RUN AWAY - EACH WITH A FRAGMENT OF THE STORY THEY USED TO BE PART OF.

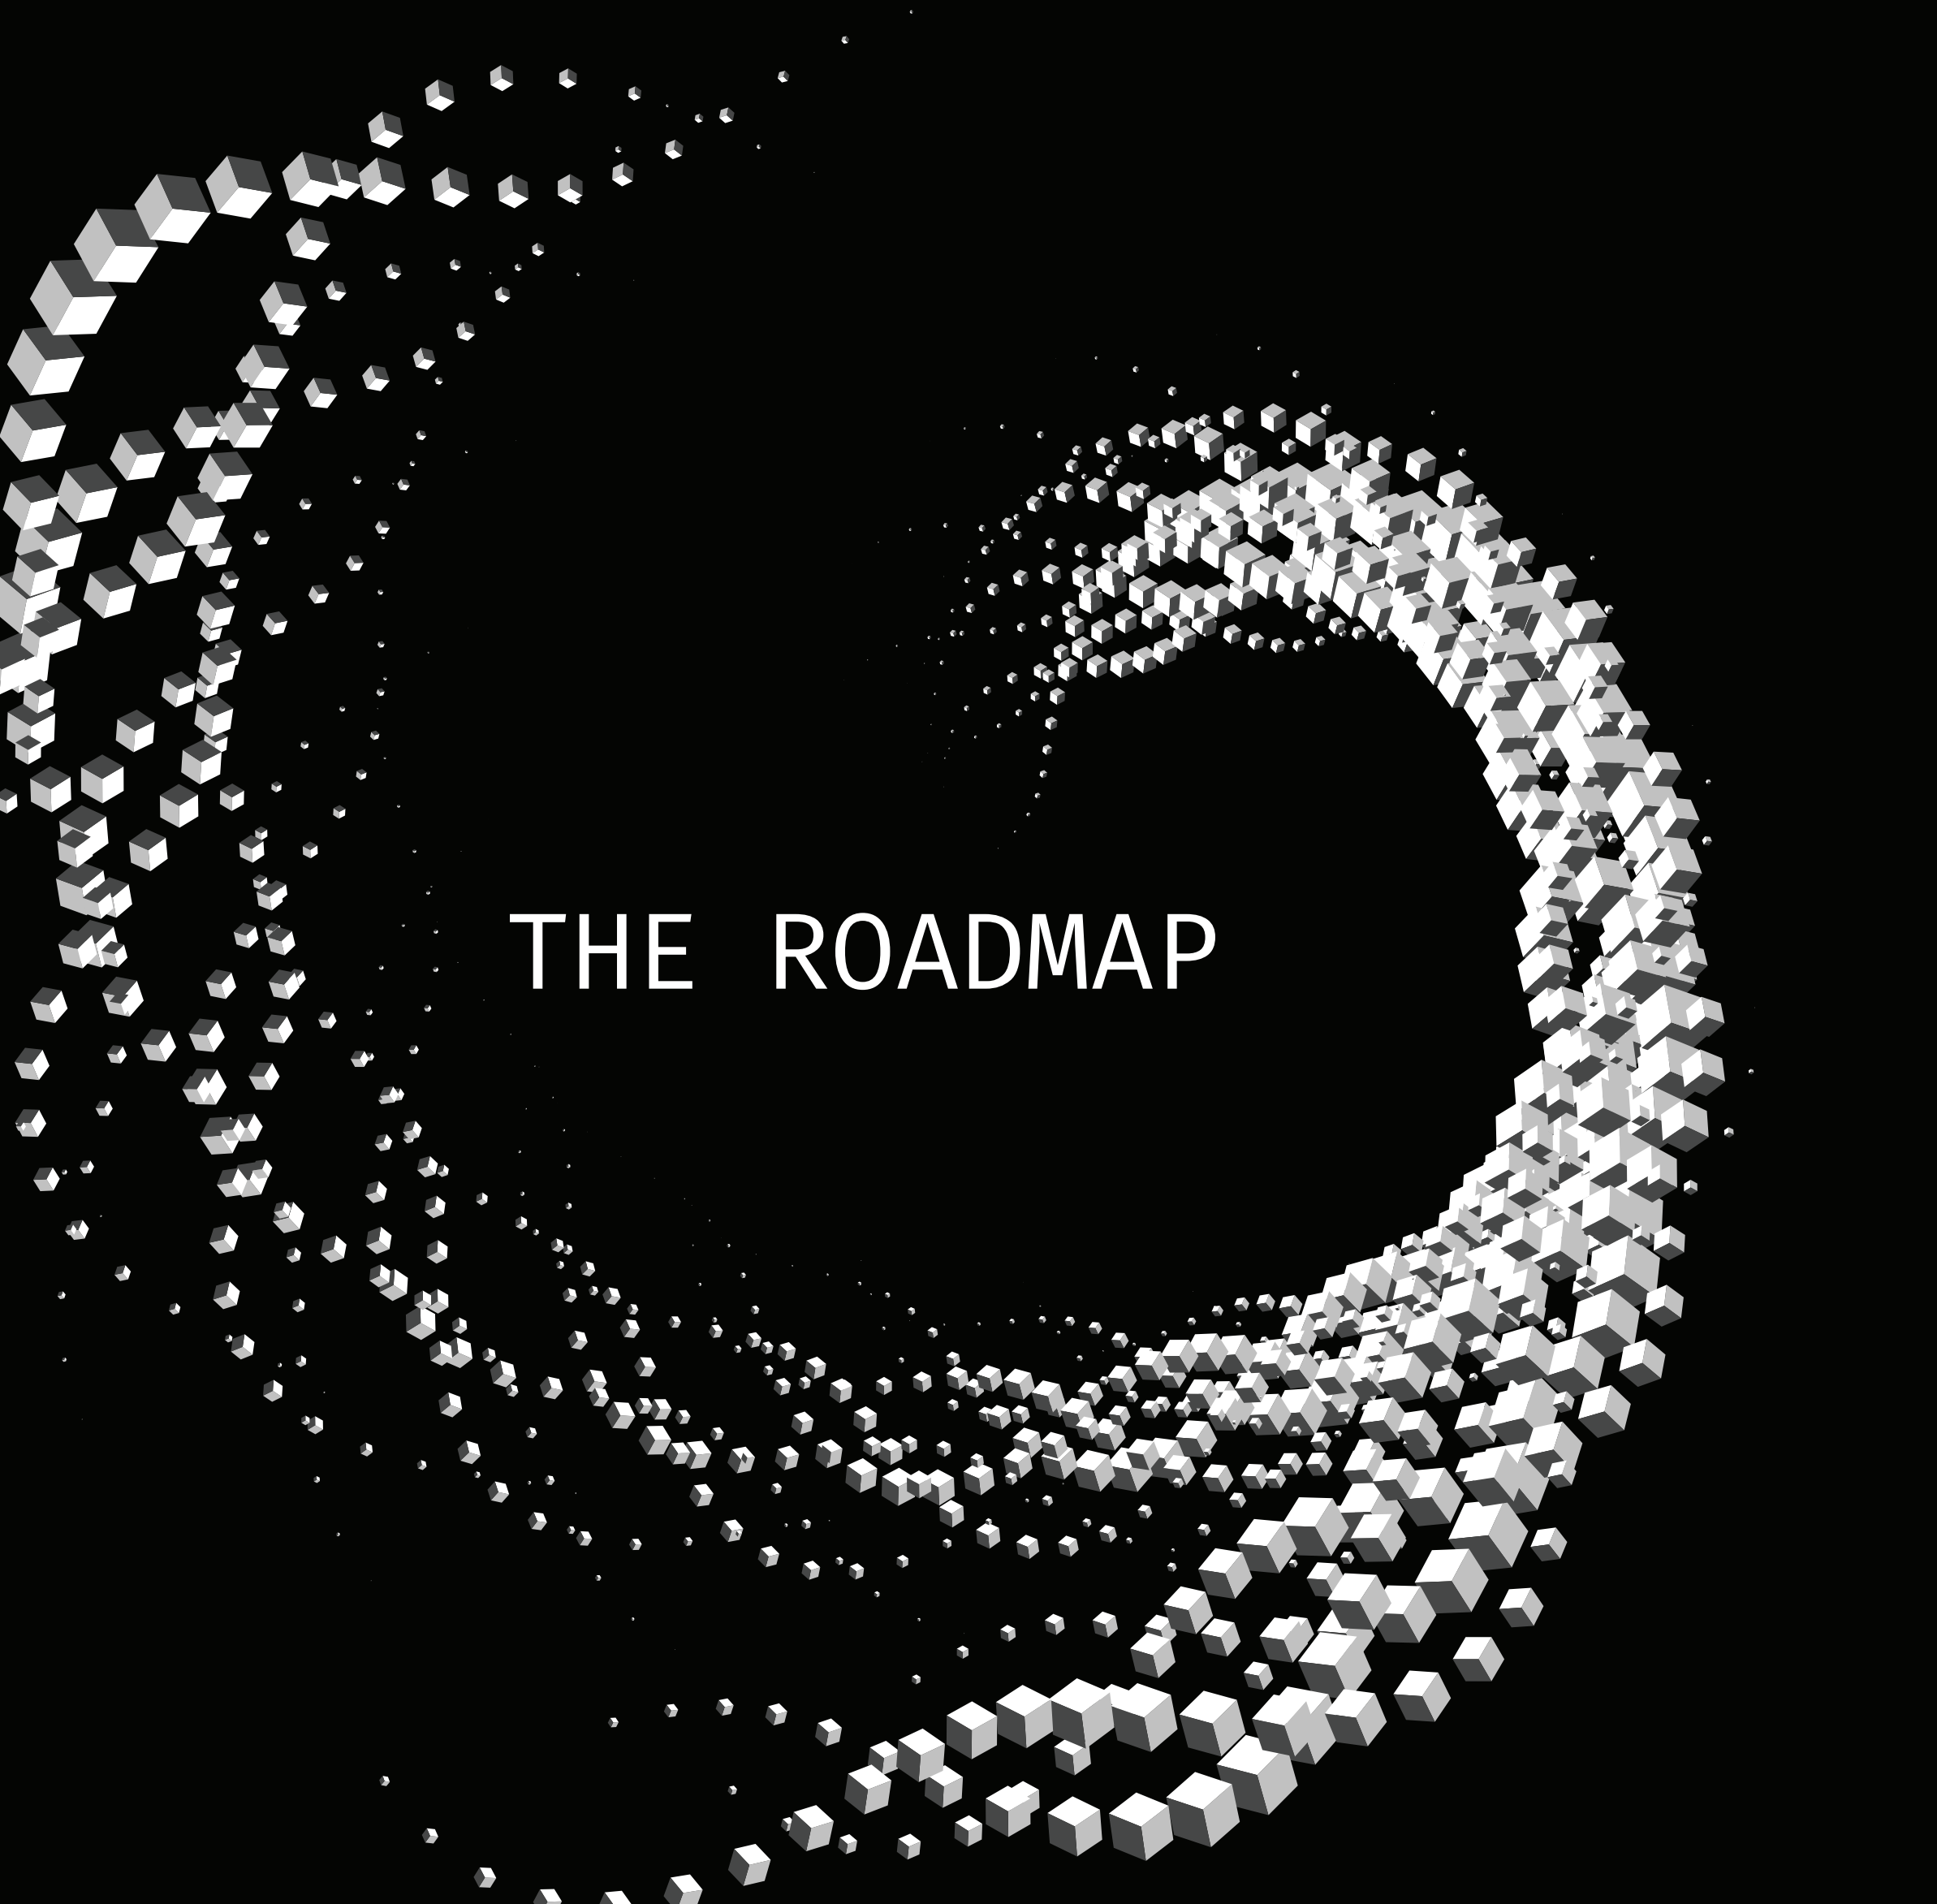

PERCIVAL, TURNED SUPERVILLAIN, HAS SET HIMSELF IN THE CITADEL, WHERE IS REWRITING THE ENTIRE HISTORY OF ANYTHING EVER NARRATED.

HOWEVER, HE SOON REALIZES THAT HIS POWER IS NULL, BECAUSE TO RULE THE CITADEL ONE NEEDS TO FIRST DESTROY ALL ORIGINAL CHARACTERS, AND YET ONE IS MISSING. THE ORIGINAL CHARACTER - CHARACTER ZERO - WAS LEFT OUT BY THE ANCIENT ONES ON PURPOSE.

NOW THE ONE AND HIS ARMY OF 2,500 IMPROBABLE CHARACTERS NEED TO FIND IT BEFORE PERCIVAL WILL.

THE AI ENGINE

TO HELP YOU IN YOUR CREATIVE PROCESS, WE DECIDED TO OPEN UP OUR AI ENGINE WITH PRE-UPLOADED TEMPLATES USED TO GENERATE STORIES TO OUR ALPHA COMMUNITY. IT WILL HELP YOU GENERATE STORIES BASED ON YOUR INPUTS (GENRES, CHARACTERS...) CREATIVITY, 100X.

THE ACCESS TO THE AI ENGINE WILL BE OPEN AFTER THE MAIN SALE. TO ACCESS YOU NEED TO HAVE ONE POS NFT. AN ORIGINAL CHARACTER NFT (THOSE OF THE GENESIS PRESALE AND EARLY GIVEAWAYS) GIVES YOU ACCESS TO THE GENERATION OF UP TO 100 PLOTS, WHILE A NON-OG NFT (THOSE FROM THE MAIN SALE) TO THE GENERATION OF UP TO 25 PLOTS.

PROOF OF STORY

Proof of Story is not a story.
It's the beginning of a story. We
don't know how it ends. Cause you
will decide how it goes. Every
week we'll be hosting STORY
BATTLES. Competitions in which
we'll be asking, simply, what
happens next in this chapter? The
most voted chapter outlines will
win secret prizes.

CHAPTERS

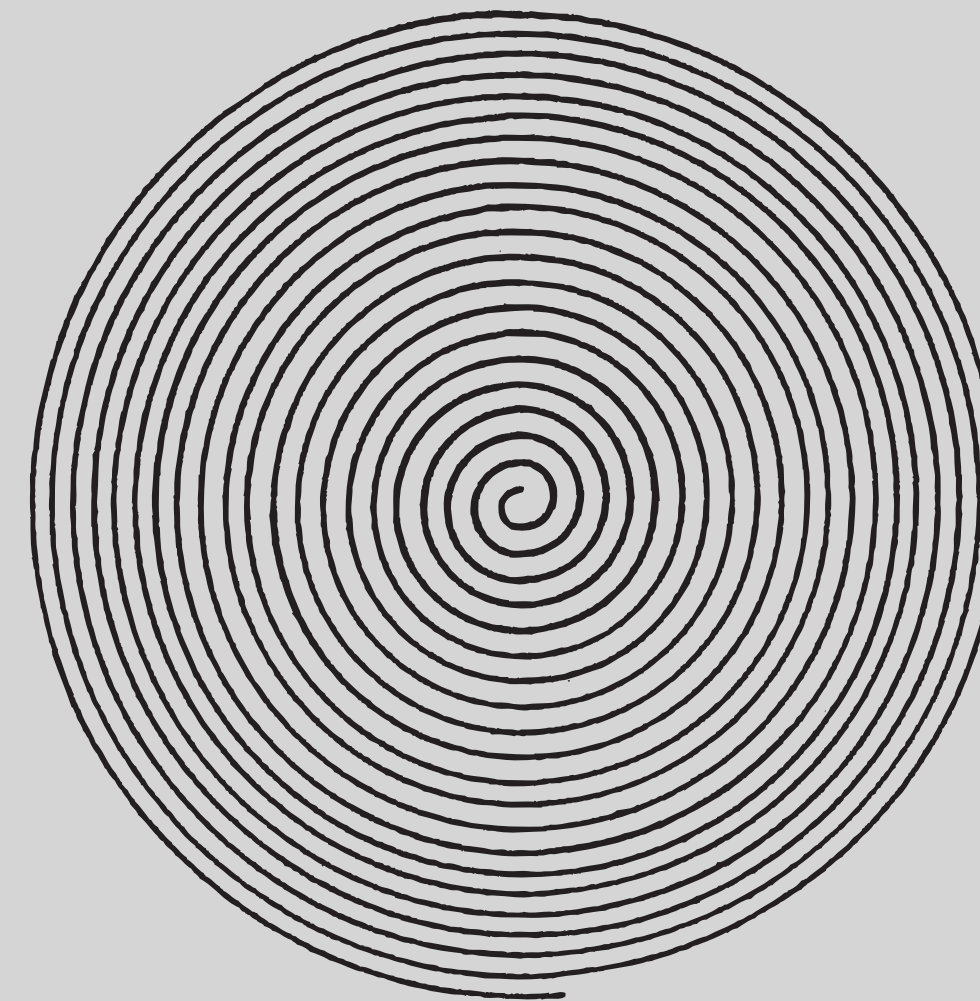

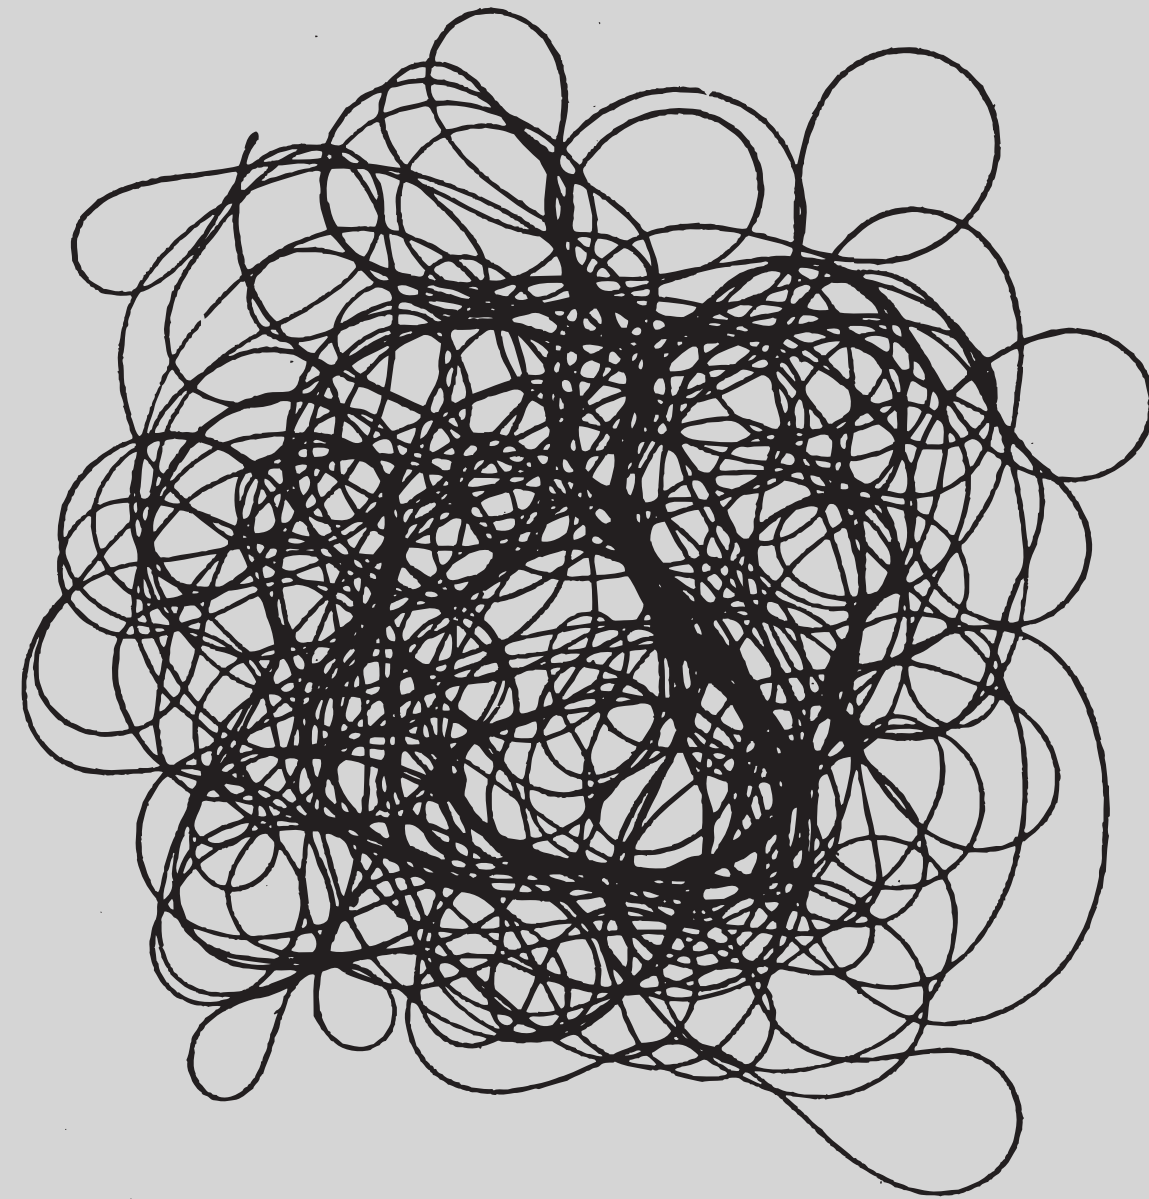

BOOK

At the end of the project,
we assemble all the
chapter outlines and write
a novel, whose rights will
be split between the
studio and those
contributing to the
chapters.
